A WARM HELLO!

We are Daniel, Dominic, Benita and Franz Moser and are pleased to be your hosts.

We have been running our hotel on Lake Caldaro with great passion for almost four decades. While you will meet senior Franz at the wine tasting or hike to the farmhouse in Monticolo, you will meet the two juniors Daniel and Dominic almost around the clock at the hotel. Big sister Benita loves to get her hands dirty at the winery. For questions about fruit and wine growing around Lake Caldaro, she is your woman!

Together we are an unbeatable team and look forward to meeting you.

YOUR FAMILY RUN LUXURY HOTEL

Welcome to our Lake Spa Hotel SEELEITEN in Caldaro, your stylish holiday home in the southern part of South Tyrol. Only a stone's throw away from Lake Caldaro, here, you will enjoy hospitality of the highest quality, coupled with delicious and healthy Mediterranean-Alpine cuisine, as well as deep relaxation at our natural pool, at the new infinity pool or at our two exclusive private lakeside beaches.

Lake Caldaro is located in the south of South Tyrol and is surrounded by vineyards and apple fields. It is the warmest bathing lake in the Alps and one of the largest in South Tyrol. Thanks to the mild climate, the region offers an impressive variety of year-round leisure activities. South Tyrolean life with its impressive traditions and customs flourishes here from spring to winter.

Already on the journey to the SEELEITEN, to the south, a change begins. The landscape opens up, becomes wider, richer. People open up - emotionally and physically. Any self-imposed severity falls away. One is ready to take in all impressions: the joy of life, the awareness, the noisy life.

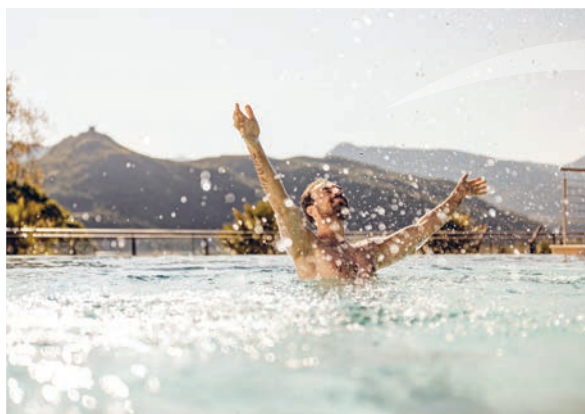

Lake Caldaro is a world-famous wine region. Excellent wines thrive here under the South Tyrolean sun. In the heart of the impressive landscape, the South Tyrolean Wine Road winds its way through the vineyards. This is where the Lake Spa Hotel SEELEITEN is located. The hotel includes two lake accesses, its own winery and craft brewery.

At Lake Spa Hotel SEELEITEN, water elements play the main role: wholesome baths, steam baths, and water massages by our Spa experts will give you tingling moments of indulgence and new energy.

TENUTA MOSER & BREWERY MENDELBIER

Crazy ideas are requested. The cellar of the hotel owned wine farm Moser, where the noble wines develop, has been enlarged with a small beer brewery in 2020. Not only the unusual and in Italy unique combination of wine cellar and beer brewery is surprising, but also the all-round talents of cellar master Gerhard Sanin, who not only creates the wine but also the beer (and sparkling wine – but that's a secret). Exclusively for SEELEITEN guests, he makes a guided tour once a week through the winery and during an extensive tasting; he gives a big insight and interesting information about the topic wine.
