Some of the top sites in South Tyrol have been owned by our family for decades – including the vineyards of our winery. Years ago, we secretly experimented in the cellar. In 2018, we fulfilled our dream of having our own winery with the Moser Winery. With the help of the most modern wine-making technology and under the constant care of the cellar master Gerhard Sanin, fine wines develop here – which you can try in our Hotel Seeleiten.

The winery features five apartments and offers guests from near and far a dream holiday under the sign of wine. Each of our apartments can be booked for 2 people and features a well-equipped small kitchen, an extra long box spring bed, a bathroom with shower, a separate toilet as well as a spacious private garden. The apartments are

equipped with a TV, Wi-Fi, a safe, air conditioning, a cosmetic mirror and a hairdryer.

You can also use our private beach on the eastern shore of Lake Caldaro and our own fitness studio!
